

Certified Medical Assistants sought by Drexel University College Of Medicine

Drexel University College of Medicine and University City District's West Philadelphia Skills Initiative have teamed up to create job opportunities for **Certified Medical Assistants** who are residents of West Philadelphia.

If you are:

- ▶ A resident of West Philadelphia (as defined by zip codes 19104, 19131, 19139, 19143 and 19151)
- ▶ Unemployed or underemployed (making \$9/hour or less)
- ▶ Currently **certified as a Medical Assistant**

... **this program offers a career-building opportunity for you.**

In an effort to cultivate talent in West Philadelphia and build Drexel's reputation for providing high-quality healthcare, Drexel and UCD have developed a **12-week program** that provides:

- ▶ Paid technical skills training
- ▶ Paid professional development training
- ▶ Mentoring by seasoned medical professionals
- ▶ Career development and job coaching services
- ▶ Real job opportunities

To apply for the program, you **must** attend a 1-hour information session.

These will be held at the following times:

Tuesday, November 12, 6pm

Tuesday, November 19, 10am

Thursday, November 21, 6pm

Call 1-888-290-6177 to register for an information session.

You must register to be admitted to a session.

Sessions will be filled on a first-come, first-served basis.

Application forms will be available at each session. Completed applications require copies of your resume and MA license.

The application deadline is
December 2, 2013.

The program begins in February 2014.
