

DREXEL COLLEGE OF MEDICINE'S JOB PIPELINE PROGRAM FOR MEDICAL ASSISTANTS

Drexel College of Medicine and University City District's West Philadelphia Skills Initiative have teamed up to create job opportunities for Certified Medical Assistants who are residents of West Philadelphia.

If you are:

- ▶ Unemployed
- ▶ A resident of West Philadelphia (as defined by zip codes: 19104, 19131, 19139, 19143 and 19151)
- ▶ A currently certified Medical Assistant

... this program represents a career-building opportunity for you!

Drexel College of Medicine is a premier employer of Medical Assistants in the Philadelphia area. In an effort to build real connections between Drexel and the West Philadelphia community, Drexel and UCD have developed a 12-week program that provides:

- ▶ Paid Technical Skills Training
- ▶ Mentoring by Seasonal Medical Professionals
- ▶ Career Development and Job Coaching Services
- ▶ Real job opportunities

To learn more about the program attend one of our 1-hour Information sessions.

Information sessions will be held on **November 29 (6-7pm)**, **December 6 (6:30-7:30pm)**, and **December 7 (10-11am)**.

You must RSVP to be admitted to a session. Sessions will be filled on a first-come, first-served basis. RSVP by calling UCD at 215-243-0555. Location details will be provided when you call.

Applications are due by December 10 and can be turned in at information sessions.

Visit www.westphiladelphiaskills.org to fill out an on-line application or to download a copy. Applications may also be obtained at the front desk at University City District at 3940 Chestnut Street (M-F, 8:30am-5pm).
