PENN MEDICINE

earning \$21.50 / hour

What is the Medical Assistant Program?

In the Medical Assistant Program, students will actively engage in professional development and career coaching with The Skills Initiative before completing 8 weeks of Medical Assistant coursework at the American Training Center (ATC). After program and certification completion, students complete a 2-week externship at Penn Medicine to earn the opportunity to interview for full-time Medical Assistant roles with a starting hourly rate of \$21.50/hour with Penn Medicine.

In this program, we offer:

- Cutting-edge job connection strategies resulting in 93% of graduates finding employment
- A \$150 weekly stipend while in training
- No-cost Medical Assistant training and testing
- \$14.00/hour during externship experience
- The opportunity to earn \$21.50/hour with benefits as a Medical Assistant with Penn Medicine after externship completion
